

INTRODUCTION

Why Love Is the Final Seal

You've started awakening ancestral wealth through the Wealth Ancestry Prayer. But without love, there is no true abundance.

King Solomon—known for his wisdom and riches—also wrote the most passionate love verses in scripture. Because he understood something we often forget:

Real joy comes from connection.

The Solomon Love Song is a sacred audio track encoded with a heart resonance frequency. It's designed to break the loneliness seal and open the energetic pathway for true love, emotional healing, and magnetic relationships.

This guidebook will show you exactly how to use it.
